## Pastor's Report

### AND NOW, FOR THE BEGINNING OF THE REST OF THE STORY . . .

The day some thought would never come has arrived oh-so-quickly. You have called a new pastor! What an exciting day in the life of the Baptist Church of West Chester. And you honored him with a unanimous call.

Pastor Dave Braneky and I had the opportunity to meet and compare notes recently. I was most impressed with his maturity, training and experience already in his career. He has really studied this church, especially its printed materials, and has a good grasp of the church and its programs. This was obvious in the references he made during his candidating sermon. (Yes, we confess, Sue and I snuck into the back to hear him.)

Lest I forget, let me publicly congratulate and thank the Search Committee. With the personnel you selected to represent you, they were bound to "get it right." And they did. The committee went about their work with prayer, discernment and thoroughness. And yes, with due diligence. Search Committee work is never easy and shouldn't be, but your committee served with true diligence and integrity. Thank you, one and all, for a job well done.

The committee is not done yet. In addition to assisting Dave with his transition and helping to get him and his family settled in, several have agreed to serve on the next Pastoral Relations Committee which will be reinstated at the annual meeting in January.

Now for the difficult part. Dave has obligations which prevent him from beginning with you until early January. Therefore, I have agreed to stay with you through the Christmas season. Please don't read any reluctance into that statement. Our time with you, going on two years now, has been a blessing and pleasure for us, at many levels. We have made some new lifetime friendships which will continue to bless us for years to come.

But the changes are coming. That means when we finish our work with you at the end of the year, we really will cease to function as your interim pastor. We also will not be attending any services or programs at the church for at least the next year. This is absolutely required to be fair to Dave and to honor our Code of Ethics. It also means that if we are in a social setting with any of you, we will not discuss the church or Pastor Dave. We will listen eagerly to all the good reports, but none of the complaints, and won't respond to either.

Your new pastor deserves every opportunity to be himself, to share his gifts and be your new spiritual leader, and we will do nothing to deter that from happening. We will continue to pray for you all regularly, and expect to hear glowing reports of progress and growth.

You are a unique congregation, blessed with outstanding leadership, a high level of commitment to Christ and His work, both locally and globally through our regional and denominational relationships.

# Pastoral Search Committee

## Welcome, Pastor Dave!

If you weren't able to attend the festivities at the church on October 8 and 9, you missed a wonderful time. The Search Committee (Ryan Jeffries, Mary Helen Barnett, Mike Coles, Dena Colson, Stan Cramer, Fran Homer, Boyd Myers, Glen Stuart and Bill Moyer, ex-officio) presented the Rev. David Braneky (Bran'-eh-key) as their candidate for pastor of the Baptist Church of West Chester.

Saturday morning he met with the leadership of the church for a time of sharing, questions and answers, and a devotional. Saturday evening we had a covered-dish supper and again a time of sharing, questions and answers, and a devotional. Sunday morning Pastor Dave visited the various Sunday School classes and then led us in worship.

Following the service a special business meeting was held for a motion to call Pastor Dave. The vote was unanimous! Pastor Dave came forward and accepted the call. Praise the Lord. It was a very special time as we came together and rejoiced with God's choice for our next spiritual leader.

Pastor Dave has been pastor of Lansdowne Baptist Church for the past 7 years. He grew up in Ohio and is a graduate of Messiah College and Eastern Baptist Theological Seminary (now Palmer Seminary). He is married to his wife of 10 years, Leanne Krueger-Braneky. They are expecting their first child (a boy) in early December.

The Committee has been most impressed with Pastor Dave's love for the Lord and his desire to help others come to experience His love as well. He wants to help his congregants discern God's will for the local church – especially as it relates to the community.

Pastor Dave will begin his ministry with us on January 3, 2012. Please pray for Pastor Dave and Leanne as they begin to make the transition of leaving their current church, prepare and welcome their first child, and then prepare for their ministry with BCWC.

### Dear Members of The Baptist Church of West Chester:

I hope this note finds all of you well as you continue to journey together with Pastor Dan in ministry. Leanne and I wanted to express how much we enjoyed meeting everyone on October 8<sup>th</sup> and 9<sup>th</sup>. While it was a long weekend, it was a good weekend. The search committee did a wonderful job. The care they put into the weekend reflects the care they showed throughout the entire pastoral search process. They should be commended for the countless hours they gave of themselves.

I was pleased to receive and accept your call on Sunday, October 9<sup>th</sup>, to be your next Pastor. I look forward to the many opportunities of ministry and service that will be afforded me in my ministry with you. My decision to accept the call was based on my observation that you want an inspiring worship service and that you are a church that reaches beyond yourselves into the community and beyond. I gathered that you are a ministry/mission-oriented church, and that excites me. My decision was also based on my observation that the Spirit of Christ is found among you. It doesn't take long to feel the Spirit within your fellowship.

My wife, Leanne, and I are looking forward not only to the arrival of our first child in December, but also to our move, our first Sunday, our first year and an extended ministry of sharing our journeys of faith. May God bless you and us as we accept the blessings and challenges God has given.

With love and gratitude,  
Rev. David Braneky

# Board of Deacons

## Thank You and Welcome!

### Thank you, Pastor Dan

The deacons **thank Pastor Dan** for the very meaningful Wednesday evening series based on John Stott's, "Basic Christianity." And we thank God for Pastor Dan's shepherding of our church family during the past two years. He has been a wonderful blessing for all of us.

### Welcome, Pastor Dave!

The deacons met with Pastor Dave Braneky on Saturday, October 8, and were very impressed with his qualifications to be the pastor of our church family. We are so pleased that on Sunday, October 9, the vote was unanimous to call him as our pastor. And he accepted the call. Praise God! We are excited as we look forward to serving as your deacons under his leadership.

### Looking Ahead:

- Once again our church will participate in the **Old-Fashioned Christmas Parade** on Friday, December 2.
- The Diaconate will host a time of **Advent Fellowship** following the **Christmas Cantata** on **Sunday, December 18**.
- On **Christmas Eve** there will be a **7 p.m. Family/Children's Service** and a **10 p.m. Candlelight Service**.
- **Christmas Day**, as we celebrate the birth of our Savior, there will be a **worship service at 10:45 a.m.** (Christian Education classes will not meet at 9:30 a.m.)

*In the beginning was The Word, and The Word was with God, and The Word was God.*

*The Word became flesh and made his dwelling among us.*

*To all who received him, to those who believed in his name, he gave the right to become children of God.*

# The Stewardship Committee

## Financial Stewardship Report January 1 – September 30, 2011

BCWC's operating manual calls for the Stewardship Committee to ensure that "*the Church is updated at least quarterly regarding total financial giving and budgetary needs.*"

Here is the result of having recently completed three-quarters of the year:

Budgetary Needs (tithes & offerings) = \$195,000.00  
Actual Giving = \$193,396.49

Being behind by only \$1,603.51 is actually commendable since we had no opportunity to worship together on August 28 because of Hurricane Irene. This means we are aware that our giving is based not on whether we are in the sanctuary but on being good stewards, giving in response to all of our blessings and provisions from God as faithful followers of Christ. "*On the first day of the week let every one of you put aside a sum as God has prospered you....*" (1 Corinthians 16:2)

The Stewardship Committee

### 2012 Is Approaching

I will soon be preparing the offering envelopes for 2012. If you have not been using envelopes this past year and would like them for the coming year, please let me know. You do not have to be a church member to use them. In our busy lives we often need as much help as we can get. Offering envelopes provide:

- a weekly reminder of our need to praise God for His goodness and faithfulness to us
- an opportunity to return to God a portion of what we've been given
- a statement at the end of the year of our total giving that we can use for income tax filing

Although there are envelopes provided for each week, if it's easier for you to give monthly rather than weekly, that is fine also. If you have any questions about your pledges, statements, or you would like to receive envelopes for next year, please contact me at 610-692-3357.

## Make Way for KFC!

What was once called *KidMo!*, now has a new name -- KFC, which stands for Kids For Christ. (Thank you again to all who suggested wonderful names.)

It takes place at the same time during Sunday worship, starting right after the Children's Message through the end of the service. We welcome children ages 5 through fifth grade. We are currently using a curriculum called "Friends and Heroes" – a series of animated Bible adventures for children – along with teaching children firsthand what it means to be a servant for Him.

I want to thank Jen and Tom Force for helping teach the children to play chimes, which is still very much a work in progress. As soon as we are ready, we can't wait to share with the congregation what we have learned!

Emily Jeffries, Director of Children's Ministries

## Adult CE Class: The Parables of Jesus

Jesus was a master storyteller. Some of the Gospel's most memorable passages are stories he told to teach a lesson – the parables of the Good Samaritan, the Prodigal Son, the Pharisee and the Publican, the Rich Man and Lazarus. Join us in Lowry Hall each Sunday at 9:30 a.m. as we explore the parables of Jesus.

## CE Classes for All Ages

Nursery care is provided to the very young among us. And age-appropriate classes are available for children, youth and young adults.

**During our Worship Hour**, babies and toddlers are cared for in our newly painted first-floor rooms. Preschoolers and those in Grades K through 5 stay with parents during the first part of the worship service to enjoy the Praise Band music and Children's Sermon. They then leave the sanctuary for our Kids For Christ (KFC) program, which meets in a second-floor classroom.

Assisting the Community Together...

We ACT in Faith

ACT in Faith is an interfaith ministry that seeks to provide physical, financial and spiritual support to those in the Greater West Chester Area whose basic human needs are going unmet.

In November 2010, BCWC joined other West Chester faith communities to respond to this growing need among those who live outside the doors of our church building.

Often people are in dire situations because they have lost jobs or been seriously ill. A number of people were going from church to church for assistance. Now ACT in Faith provides a central location with an office at Holy Trinity Church.

Each month a portion of the BCWC Deacons' Fund is given to ACT in Faith to combine with funds from other faith communities. Cliff Erickson, Fran Homer and Anita Uhl serve on the board of directors.

Since November 2010, ACT in Faith has helped more than 150 individuals and families (a third of whom are children) avoid eviction, pay utility bills, and find resources for food, clothing, transportation, and medical and school supplies.

**Need reaches across all faiths...and now, so does help.**

## With Thanksgiving! Here & Abroad

Our Thanksgiving Offering this year will help meet needs in two ways:

- Our BCWC Deacons' Fund, which responds to requests for assistance within our congregation and the West Chester community.
- Encuentro Latino Ministries - Earlier in 2011, this young congregation became a recognized member of American Baptist Churches USA. Encuentro Latino has strong ministries with Chester County Prison and on the streets of Coatesville.

## 50 Churches/50 Children Campaign

During the four Sundays in November (National Adoption Month), our church will join other churches in the tri-state area in praying for 50 orphaned children. Some are available for adoption through the U.S. state foster care system, while others wait in orphanages for a "forever family." The Mid-Atlantic Orphan Care Coalition partners with Bethany Christian Services to share their stories.

Please watch for the "Waiting Child" stories of these four children in your bulletin and add them to your prayer list in November.

# Outreach Ministry Report

The Outreach Team met on October 19, and a sub-committee of the team also met to discuss the website and promotion of events at BCWC. We will be updating the website, making it more user friendly. We have a grant of \$1,000 from the American Baptist Churches of PA & DE to enhance our website. We have used \$400 to purchase a video camera to use for the website as well as for Facebook.

## Pastor's Report *(Continued from page 1)*

By the way, we owe a debt of gratitude to our Region's leaders, particularly Kevin Walden and Frank Frischkorn, for their help, support and resourcefulness over the past two years.

You accepted Sue and me into your warm family with open arms and hearts two years ago, under strain and pressures. You have allowed me to make suggestions and opened yourselves to pushing and prodding toward better goals. You have made us feel welcomed and loved. And God has blessed with His great mercy, grace and healing.

I expect nothing less, and even more for Dave and Leanne and newborn son. What a great gift God is preparing for BCWC this Christmas!

Thankfully yours, and His,

DM/au

## BCWC History Notes

History note from September 23, 1911

Last evening, a "Home-Coming Social," to mark the return from the summer vacations, was held at the First Baptist Church, when a very pleasant time was had.

About an hour was spent in chatting, handshaking and the like, when Rev. Rufus E. Holder, Ph.D., pastor of the Olivet Baptist Church, who was present with Mrs. Holder, was called upon for a few remarks. He expressed his pleasure in meeting with the members of the First Church, and thanked them for their cordial and warm greeting. He entertained with some stories of life and experience in the South, in Missouri, and in New England. He spoke of the greatness of the Baptist denomination, and was gratified to learn of the warm feeling between the two churches in this borough. He was greeted with hearty applause as he concluded his pleasing address.

About the large room were arranged many pretty flowers of the early Autumn. It had been intended to have some literary and musical exercises, but the participants were unable to be present.

A committee of ladies then served ice cream and cakes, and after a social session the guests departed homeward.
